### Preparations

Print the pattern out on letter or A4 sized paper.  
It is **very** important to not scale or fit any of the  
pages, you must print the document in  
**actual size**. Your pattern will print on multiple  
pages, which you will then tile together. Arrange  
the sheets on a large, hard and flat surface  
matching up the numbers and letters (i.e. 6A to  
6A). Cut or fold one of the sides and match the  
edge to it's corresponding side. Then, tape down  
in place so paper is secure.

Trace the pattern pieces from the pattern sheet  
following the lines and markings for your size. Cut  
pieces 22 and 23 apart on the marked seam lines  
= centre and side front pieces, centre and side  
back pieces, and back yoke.

**burda style magazine patterns do  
not have seam allowance included.**

Seam and hem allowance to be  
added: Seams and edges 1.5 cm (5/8  
in).

**Twill**  
140cm wide

**Sequin**  
110cm wide

**Plain washed silk**  
140cm wide

Cut pieces 21-23 & a on a double  
layer of fabric. Use fabric with the

## Sewing

Baste pieces of sequin fabric to corresponding pieces of crêpe de chine, with wrong side facing right side. Treat these pieces as one layer of fabric from now on.

Stitch side fronts to centre front and stitch side backs to centre back, right sides together. Neaten allowances of each seam together and press onto centre pieces.

Stitch shoulder seams of inside and outside yokes, beginning and ending stitching exactly at marked neck edge. Press seam allowances open. Lay inside and outside yoke units right sides facing and stitch neck edges together. Trim seam allowances. Turn yoke right side out. Press seamed edge. Baste open yoke edges together.

Stitch yoke to front and back. Press seam allowances onto yoke.

Stitch hem bands to lower front and back edges, right sides together. Press seam allowances of joining seams onto bands.

Stitch side seams below seam mark at seam number 3. Press allowances of armhole edges to inside. Press side seam allowances onto back. Press seam allowances of front to inside, tapering toward upper end. Sew allowances to armhole edges by hand.

Fold hem band half to inside, turn raw edge under, and baste over attachment seam. Stitch from outer side, along line of seam.
