Modified the original Cafe Collection for the 4th of July!

Materials

Step 1 — Make Modifications

I made the following modifications to the original pattern found [here](#)

Piece A: 15 1/2 x 13 1/2" (Cut 1-Red)

Piece B: Not used

Piece C: 4 1/2 x 13 1/2" (Cut 1-Blue)

Iron white fabric to Heat Nâ— Bond Heavy Interfacing. Cut out a total of 5 2" stars for each placemat.

After stitching a red accent line on the blue piece I added the stars and embellished with some red buttons. (Try red beads or additional red stitching for a more classic look.)
