i just use a dart at the back to make this project easy for me ^^ and i put the steps for you to learn how to make it . No zipper or buttons >>>> wooww !!!!!!!

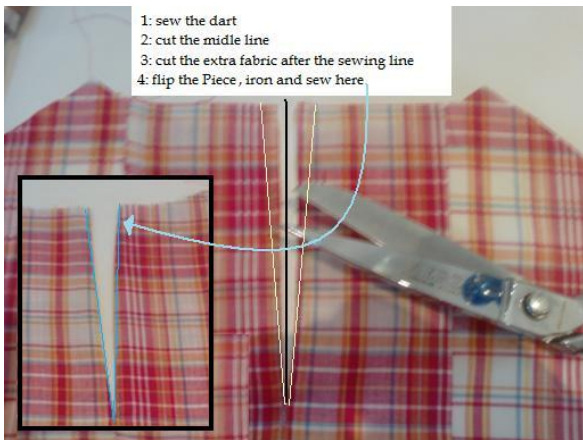

Step 1 — draw a dart

- 1: The main fabric on the Right Side.
- 2: Put a Piece of fabric (Not necessarily the same), and it should be at the wrong side and it is about 14 cm length .
- 3: draw a line in the middle and draw a dart(1\2cm each).

1:The fabric should be at the right side. 2: use an extra fabric and put it at the wrong side. 3:draw a dart 1\2 cm each side. 4:Leave 2 cm above the neck line. 5: pin you work.

Step 2 — sew . cut . flip

1: sew the dart. 2: cut the extra fabric. 3: flip & iron. I write the steps on the image to help you if you save it ^_^
