It's summer and therefore: time for the beach! No more sticky sandy lines between your beachtowels anymore with the Towel for Two! Easily button up your towels together to get a perfect kingsized towel for 2. The towels also have a pocket at the top in which you can store your clothes thereby transforming the pocket automatically into a pillow! Also handy to store your belongings in when you are going for a swim and you don't want to keep your valuables exposed! So if you want to be comfortable, cosy, stylish and sand free this summer: follow the following steps and make your very own towel for two!
