I made this design for my little kid, and I want to share the video tutorial. Pattern is also my and if you are interested go to my blog: www.bludor.com/blog or to my Etsy store: <http://www.etsy.com/shop/TutorialGirl>. This video and pattern is made for 2 years child, but the pattern could be easily resizing for a few kids sizes. Because the adult's feet are different proportions I made also made a new pattern for 39. woman size.
