

Straight and Tapered Skirt Block Pattern-Making - Why Do We Need Darts

By: esewingworkshop

<http://www.burdastyle.com/techniques/straight-and-tapered-skirt-b>

Learn how to measure the body, draft a straight and tapered skirt block pattern according to your measurements. This lesson includes how to calculate the darts, adding seam allowances, abutted slit and hem allowances and how to mark and draw the lengthwise grain line. Many other styles and body types can be derived from this straight skirt block pattern, such as tapered, some panel and pleated skirts, A-line skirts etc. For more Visit: eSewingWorkshop.com
