I recently made a crayon roll-up for my 1 1/2 year old niece. She loved it! Well, she loved eating the crayons ;)
;) —! but Iâ— m sure sheâ— ll start coloring soon! You can find a tutorial over at the Janome website:
<http://janome.com/> Making a crayon roll-up is a great way to use up your scraps and (along with a couple of coloring books) they make a great gift!

Step 1 — Complete Tutorial

The instructions, diagrams and more photos can be found on the Janome America website:
