If you're frustrated with the tedious tracing method of adding seam allowances to your patterns check this out. No tracing, just cut and your seam allowance is added while you cut. Fantastic for : Burdastyle Magazine patterns, Japanese pattern books, Marfy patterns and your own designs.

Step 1 — Instructions

Tip: your Seam Allowance Guide will come with two spare black bands. To make sure you don't loose these pop them on the end of your gadget straight away.
