

How to fix the torn slit of your dress/skirt

By: bohemiannow

<http://www.burdastyle.com/techniques/how-to-fix-the-torn-slit-of-yo>

If it's never happened to you, you're one lucky girl! Since it's happened to me and my mother a few times I had to find out a way to fix it. It has worked for me every time, I hope it will for you too. Here's the link for the tutorial. Feel free to contact me for any questions.
