---

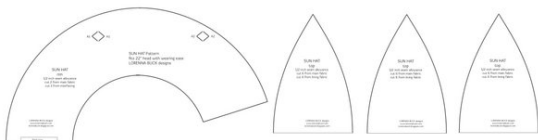

a Mother's Day present for my mom. A sun and rain protector for all her adventures, which can fold up to be kept in a small bag in her purse and go anywhere! The pattern was easy to draft, and really fun to make! And best of all, the hat is machine washable! You can read more about it on my blog

## Materials

cotton decor weight fabric, stiff interfacing in brim

---

## Step 1 — Sew a Sun and Rain Hat for Yourself!

All instructions are in the pdf with the pattern. Please let me know if you have any trouble, or if any steps are unclear.

you can download the pattern [here](#)
