### Step 1 — Preparation

Paper cut for ANSI A (German DIN A4) prints:â€œâ€œThis pattern is printed on 8.5 × 11 sheets of plain paper. Do not scale or center pages before printing. Wait until all sheets are printed out before beginning to tape them together. **Do not cut out pattern pieces yet**— Arrange the sheets on a large, hard, flat surface so that they fit together, matching up like numbers and letters (i.e. 6A to 6A). To tape pattern together, fold under the margin of one piece (6A) and tape right against the line of it’s matching number/letter (6A).  
â€œâ€œ**burda style magazine pattern do not have seam allowance included.**â€œâ€œSeam and hem allowances to be added: Seams and edges 1.5 cm (5/8 in). â€œâ€œsee example here: [HYPERLINK](http://www.burdastyle.com/projects/072011-jumpsuit/instructions/1) “http://www.burdastyle.com/projects/072011-jumpsuit/instructions/1” t “\_blank”

## Step 16 — Fabric flowers

For each flower cut 2 circles of leftover batiste, approx. 5 cm (2 ins) in diameter. Lay 2 circles together, right sides facing. Stitch together, 5 mm (3/16 in) from edge, leaving an opening for turning. Turn circle right side out and stuff. Sew opening closed. Make 5 petals, evenly spaced, by making a straight stitch, from centre to edge, and pulling it tightly toward centre. Sew a bead to centre of flower.
