Your iPhone, e-reader, or other device will be more comfortable to use with my In-the-Loop iCozy. It's a unique case that slides on the back of your hand, leaving your thumb free for navigating. Send long texts without your hand cramping, read in bed comfortably, and know that your kids won't drop it when playing games. Written tutorial found here: <http://www.madebymarzipan.com/?p=3227>
