After we made a clothes,there are lots of odd fabric scraps. I came up an nice use with them and cookie cutter : ) It's fun to make,easy if you grasp the techniques.

---

## Step 1 — Materials and tools

Please prepare these things.

---

## Step 2 — Tear the fabric

Let's tear the fabric merrily. Width is around 1~1.5cm. But just about sense. "about" is bravo.

---

### Step 3 — Put tape to cookie cutter

Put tape while wrapping to the cookie cutter. It's better taking off upper tape bit by bit while you put.

---

### Step 4 — Step by step

Put tape like this at first step. Keep try step by step : )

---

## Step 5 — Wrap the teared fabric

Wrap the teared fabric. Put the fabric to not be space.

---

## Step 6 — At narrow part

At narrow part,a bit in a careful way : )

---

## Step 7 — Add putting tape and wrap the fabric

If you came to end of wrapped tape,add putting tape and wrap the fabric. Continue wrapping.

---

### Step 8 — Come close to finish

Coming close to finish soon.

---

### Step 9 — Almost finished

Almost finished : ) Wrap,wrapâ <sup>a</sup>

---

### Step 10 — Finished

Finally finished : ) Cute^^
