Long sleeved dress burda style magazine patterns FAQ

Materials

wool flannel

Step 1 — Preparation

Paper cut for ANSI A (German DIN A4) prints:

This pattern is printed on 8.5 × 11 sheets of plain paper. Do not scale or center pages before printing. Wait until all sheets are printed out before beginning to tape them together. **Do not cut out pattern pieces yet**— Arrange the sheets on a large, hard, flat surface so that they fit together, matching up like numbers and letters (i.e. 6A to 6A). To tape pattern together, fold under the margin of one piece (6A) and tape right against the line of it's matching number/letter (6A).

burda style magazine pattern do not have seam allowance included.

Seam and hem allowances to be added: Seams and edges 1.5 cm (5/8 in).

Step 2 — Cutting out

- 1upper right front 1x
- 2upper left front 1x
- 3lower front 1x
- 4back 2x
- 5sleeve 2x
- 6front neck facing, on a fold 1x
- 7back neck facing 2x

Note for view B: Use the shiny side of the fabric as the right fabric side for upper right and left front pieces. Use the matte side of the fabric as the right fabric side for all other pieces.

Interfacing: Iron to facing pieces.

Step 3 — Pleat

On the upper right front, work from the inside to stitch the pleat from upper edge to the arrow mark. Fold the pleat in direction of arrow. Press the pleat seam. For the pleat which lies on top, fold the upper right front so that the marked pleat fold line meets the abutting line, right side facing in. Pin the lines together. Stitch from the upper edge to the marking. Lay the pleat (wrong fabric side) toward the side and press the pleat seam. Baste the pleat to upper edge.

Step 4 — Pleats

On upper left front, lay the pleats in the direction of arrows and baste. Stitch the upper left front to the upper right front, below the seam mark (seam number 1) — seam mark meets centre front. At corner of neck

edge, clip allowance of upper right front to upper end of seam. Press seam allowances onto right piece.

Step 5 — Pleats

Work from the inside to stitch the pleats in the lower front, up to the arrow marks. Lay the pleats in direction of arrows. Press the pleat seams and baste pleats to upper edge. Stitch the upper front to the lower front. Press seam allowances up.

Step 6 — Back darts

Stitch the back darts and press toward centre. Stitch the centre back seam, leaving zip opening at the top and vent open at the bottom. Trim left vent facing to 5 cm (2 ins) wide. Press seam allowances open and press left vent facing to inside. Lay right vent underlap toward left back. To avoid the need to clip the seam allowance, above vent, press allowance of right back to wrong side, tapering as you go. Press right vent facing to inside. Topstitch left back diagonally as marked, catching underlap.

Step 7 — Seams

Stitch the side seams, shoulder seams, and facing seams. Press seam allowances open.

Step 8 — Facings

Turn allowances at back opening edges to outside and pin to neck edge. Trim away allowance on back facing ends. Pin the facing right sides together with neck edge — facing ends lie on allowances of opening edges. Stitch along neck edge. Trim the seam allowances. At centre front, clip allowances close to seam. Clip facing allowance at centre front. Turn facing up and stitch to seam allowances, close to seam. Turn the facing and the allowances on the opening edges to inside. Sew the inside edge of facing to seams.

Step 9 — Zip

Open the zip. Lay the open zip on the back pieces, on outer side of dress, and baste in place so that teeth of zip meet back edges. Turn in the ends of the zip tapes. Use the zipper foot of your sewing machine to stitch the zip tapes in place, approx. 5 mm (3/16 in) from teeth and close to edges of zip tapes.

Step 10 — Hem

At hem edge, lay vent allowances out flat again. Press the hem allowance to the inside. Sew hem in place by hand. Sew vent allowances to hem allowance.
