

Baby Chin Strap hat

By: Angel Peterson

<http://www.burdastyle.com/techniques/baby-chin-strap-hat>

This tutorial shows you how to make this adorable (and reversible) baby hat with a chin strap. Baby won't be able to pull it off, keeping them nice and warm when going out into the cold! This tutorial also gives tips on how to work with cuddle fabric (great for people who haven't worked with it before).
