---

Simple dress full of effects This dress is made out of only one piece of fabric. Is very simple to sew. The sewing time is 0.5 h to 2h only. [More variants here](#)

## Materials

Jersey with elasthan

---

## Step 1 — Step 1

Fold the fabric at his half on the length side.  
Adjust the fold on side of the pattern with the fold on side of the fabric.  
Seam allowance is 1cm in general, but 4cm at the bottom hem.

---

## Step 2 — Step 2

Sew the garment together with serger or zickzag at the shoulder and side seams.

---

### Step 3 — Step 3

Put vlieseline at the back side of the neck seam to stabilize with 1cm allowance.

---

### Step 4 — Step 4

Baste edges with serger or zickzack and drill 1cm to the left.

---

### Step 5 — Step 5

Fold hem seam (4cm) to the inside

---

## Step 6 — Step 6

Sew the neckline and sleeve edges with double stitch with 7mm distance.

---

## Step 7 — Step 7
