

Perfect Collar with a template tool

By: ctharp

<http://www.burdastyle.com/techniques/perfect-collar-with-a-templa>

Templates are great to get exact details repeated on a garment like pockets, collars, cuffs, etc. In this video/slideshow I use the EZ Shirt Maker template by SA Curve LLC. You can also use cardboard to make a template, they just do not last as long. sacurveruler.wordpress.com for more information.
