EssÃ© Designs presents "Paradise" presented by Alero EssÃ©: fashion designer, stylist and fabric/textile specialist. The project is an amazing cocktail of colours. It's prints moving away from florals or stripes to profound art shapes that depict sea leaves and shells. The style, cut, shape and fabric is so trendy sexy and exotic. View Alero's creative skills and experiences, that uniquely and spectacularly combines the element of dance and the true beauty of this creation. Always remember to stay tuned and explore my range of fashion design style concepts, fabrics, patterns and new projects to come. (Alero EssÃ© @ Alero Collections).
