Accessorising your wardrobe with scarves and squares can increase the wearability of your classic garments. Scarves can be expensive. Look out for remnants and use your leftover fabric. The secret is in the finish – not everyone has the patience to sew a beautiful hand rolled edge! Please visit my website for my own design sewing patterns, sewing eBooks and sewing tutorials

Step 1 — My Favourite Way to Edge Silk & Silk Chiffon

In this video I describe the technique I like to use to create lovely scarves and kerchiefs. It is a wonderful way to bring variety to a classic wardrobe. I design sewing patterns, write sewing eBooks and film making my garments from beginning to end. "angelakane.com" <http://angelakane.com/>
