Presents A New Video Series:

- * Engaging the Dual Feed
- * Using & Editing Utility Stitches
- * Removing & Installing Presser Foot
- * Explanation of Many Machine Features

Featuring
The Singer Quantum L-500

This is Part 2 in my Video Series featuring the Singer Quantum L-500. This machine is similar to the Pfaff Smarter Machine C-1100 and the Baby Lock Serenade. In this segment I show you how to engage the Dual Feeding option, use and edit your utility stitches, remove and install your presser foot and explain many of the sewing machine's features.
