

Nylon/Lycra Fabric - Spandex/Elastine 4 way stretch

By: AleroCollections

<http://www.burdastyle.com/techniques/nylonlycra-fabric-spandexe>

I love experimenting with materials, styles and shapes. :) Fashion is my Art & Craft. A review on lycra from Alero Collections. This lycra, also known as spandex or elastine is a medium weight fabric that's strong in elasticity with a smooth surface. Suitable for a wide range of sewing projects including fashion clothing, accessories and sports/leisurewear. Follow on <http://www.ebay.com/usr/aleroCollections>. See other colours or options.
